Systems Inc.

Industrial Grade Touch Screen Panel Mount Computers

VarTech's versatile and highly reliable panel PCs are available in 10.4", 15.0", 17.0" and 19.0" LCD sizes and multiple configurations including fan-less systems, sunlight readable models, and hazardous area Class 1, 2 or 3/Division 2 certified models. These space saving solutions are **designed, produced and supported** by VarTech Systems here in the USA. These are not cheaply designed re-branded products. These panel PCs are fully sealed at the front with VarTech's best-in-class NEMA 4X (IP66) 316 stainless steel beveled front bezel or by a rugged gasket sealed aluminum NEMA 4 (IP65) black powder coated beveled front bezel. Each model has unique options to help fit your specific application needs.
